Steel Strike Discussions Set For Today

PITTSBURGH (AP)—Steel negotiators agreed Friday to hold an unusual Saturday morning session in their efforts to end the 80-day old nationwide steel strike.

The decision to hammer away again today starting at 10 a. m. closely followed a pessimistic statement by United Steelworkers President David J. McDonald that "I am not hopeful" for an early settlement in the costly dispute.

In a joint statement read by R. Conrad Cooper, chief industry negotiator, the negotiators said, "We are exerting every possible effort to resolve our problems through collective bargaining."

The statement, following two sessions, said that both parties felt it would be best not to engage in public discussions at this time.

Public Interest
"We are fully aware of the great public interest in this situation," the statement said, "particularly the desire that it be solved at the earliest possible moment."

Sources close to negotiations said there had been some "give and take" at the bargaining table since the two sides met with President Eisenhower in Washington on Wednesday and were told to break the long stalemate.

High industry sources reported the 12 major steel companies negotiating still are insisting on changes in contract language to give management more control over working conditions in the mills.

The reference was to an earlier proposal by the industry for an eight-point program aimed at spelling out so-called local conditions and practices that vary in each company and each plant.

McDonald has been adamant in his refusal to consider such changes. He called the industry proposals "a union-busting move."

The union has been pressing for an estimated 15-cent hourly package wage hike. The U. S. Labor Department reported steelworkers were earning an average \$3.11 an hour in June.

Industry Source
One industry source said as late as Friday afternoon that any economic improvements given the half-million striking steelworkers must be contingent on changes in mill working conditions to permit more efficient operations.

President Eisenhower did not say so but he strongly implied that he would send the striking workers back to the mills for an 80-day cooling off period under terms of the Taft-Hartley law if the negotiators do not show some progress by Oct. 8.

Macmillan Displays New Tact
LONDON (AP)—Prime Minister Harold Macmillan told voters Friday night to beware of giving power to a party with some members who are "almost Communist."

It was a new tack in his election campaign against the opposition Labor party.

In a hard-hitting speech at nearby Watford, Macmillan pressed the claims of his Conservative government to represent Britain at East-West summit talks.

"The Labor party is deeply divided on every great question of defense and foreign policy," he said. "Some are practically fellow travelers, some almost Communist. Some are good patriots to the right. Some want a policy of unilateral disarmament, but some agree with us that you can only have it by staged disarmament under control."

He spoke as the campaign reached the hot-tempered with everything the doctor said and both parties accused each other of trickery.

Morgan Phillips, Labor party secretary, issued a statement Friday containing a long list of alleged Conservative sins.

Lives 36 Hours
Two-Headed Child Dies
NIAGARA FALLS, N.Y. (AP) — A two-headed girl died Friday after 36 hours of life at Memorial Hospital.

A physician said only five such births had been reported in the world since 1954. He estimated the chances of such an occurrence at 500,000 to 1.

The infant had two perfectly formed heads, he said.

It had a single torso, with two normal arms and two legs, two hearts, two stomachs, two spines and a single pelvis.

The mother is making a normal recovery, the hospital reported. The delivery was by caesarean section.

The medical rarity was caused by a failure of twins to separate during the early stages of pregnancy.

"It was not a Siamese twin," the doctor said, explaining that such twins develop from one egg with two centers of organization. He said this was not the case in Thursday's birth.

The infant nursed through both mouths. One head slept while the other ate.

One side of the infant died about 30 minutes before the other, he said.

The parents, whose names were not revealed, have two other children.

AWARD—The Northeastern Pennsylvania Regional Blood Center has presented the Monroe County Red Cross Chapter with a plaque for blood donor increases during July and August. Pictured with the award, from left to right, are W. C. Peterson, blood drive director; Carol Whiteman, nurse, and Dr. L. W. Hunsicker, both of the General Hospital, and Allen Keiper, Monroe County Red Cross chairman. The plaque is now located at the General Hospital of Monroe County.

Warning Made On Blood Drives

MEMBERS OF THE board of directors of the Monroe County Red Cross were warned against complacency in the blood program.

Local residence must support the blood program in a consistent and continuing program if they are to have blood for their own families, the board was told, and cannot depend on Signal Depot contributions to take the place of their own contributions.

Allen Keiper, county chairman, reported on the state conference and the Northeast Pennsylvania Blood Program conference on September 23.

In the Summer report of Volunteer services it was announced that in July 112 volunteers had given 1,227 hours; in August 87 volunteers 697½ hours and in September 89 volunteers 943 hours.

Limits Placed On Du Pont Holdings In General Motors

CHICAGO (AP) — A federal judge in a momentous decision ruled Friday that the Du Pont company may retain its 23 per cent stock interest in General Motors, but it cannot vote the shares or acquire more.

Khrushchev In Talks With Mao

TOKYO (AP) — Soviet Premier Nikita Khrushchev and Red China's boss Mao Tse-tung, deeply intent on their own Red summit talks, conferred for a fourth time Friday night.

They previously met on Wednesday and Tuesday. Apparently their talks had not been concluded when they met for the third time Friday afternoon, and they got together again Friday night after a reception.

So absorbed were the two men that they passed up a ballet in honor of Red China's 10th anniversary celebration they were to have attended.

Peiping radio gave no details of what was being discussed or even where they were meeting.

It was assumed, however, that Mao was being given a detailed account of Khrushchev's talks with President Eisenhower.

Voting rights must be surrendered to individual Du Pont stockholders.

Judge Walter J. La Buy of U.S. District Court made the ruling in compliance with a U.S. Supreme Court decision which found there was a tendency toward monopoly in the relationship between the two giant firms.

Du Pont and its family holding companies own 63 million shares of GM stock—worth nearly \$1½ billion dollars. Du Pont is GM's largest supplier of paints and finishes.

Under La Buy's decision, there will be no sweeping sale of GM stock as the government proposed and which Du Pont contended would seriously affect the nation's economy. He called the proposal "unnecessarily harsh and punitive."

Voting Rights
"The effective means," said La Buy in a 101-page decree, "is to divest Du Pont of the votes on such General Motors shares and pass such votes through pro rata to Du Pont stockholders and then to enjoy the exercise of such votes as lodge in Christiana and Delaware and in officers and directors of Du Pont, Christiana and Delaware, their spouses and dependents." Christiana Securities Corp. are Du Pont family affiliates.

All voting rights presently held by Christiana and Delaware would be sterilized and voted by no one.

Without voting power, ruled La Buy, "and without directors on the General Motors Board, Du Pont is completely stripped of any potential power to penalize or reward the employees of GM in accordance with their demonstrated attitude toward Du Pont products."

Du Pont and its affiliates will be prohibited from acquiring any additional GM stock and from attempting to influence General Motors in any way.

Dodgers Tie Series, 4-3

Three Circuit Smashes Turn Tide Of Game

CHICAGO (AP)—A pair of towering home runs by Charlie Neal and a pinch-hit homer by Chuck Essegian brought the Los Angeles Dodgers a 4-3 comeback victory over the Chicago White Sox Friday and squared the World Series at one game each.

Now the two clubs shift to Los Angeles where the third game will be played Sunday, starting at 5 p.m. Eastern Daylight Time. Today is an open date for travel. The fourth and fifth games also will be played in California on Monday and Tuesday.

Neal, a willowy second baseman with zing in his swing, hammered two home runs off Bob Shaw, the White Sox 18-game winner. Essegian, former Stanford football player who bounced from St. Louis to Philadelphia to the minors before the Dodgers got him in August, came through with a tremendous 400-foot-plus pinch blast that tied the score in the three-run seventh.

Humbled 11-0 Thursday, the Dodgers stumbled around the roomy confines of Comiskey Park for some time Friday before they finally untracked themselves.

Neal's first homer in the fifth halved the White Sox lead accumulated in the first inning. Essegian's blow into the upper deck in left center in the seventh tied it. Neal's 420-foot poke into the Chicago bull pen in center after Junior Gilliam walked, clinched the three-run uprising and finished off Shaw.

MONROE County has a special interest in the present World Series between the Chicago White Sox and the Los Angeles Dodgers.

The interest is John M. "Bubba" Phillips, third baseman for the White Sox, and Norman Larker, outfielder-first baseman for the Dodgers.

Phillips played 11 games for the Stroudsburg Poconos, in the now defunct class "D" North Atlantic League in 1949.

The right handed thrower and batter played right field and made a big hit with the local fans. He batted .302 over that span and displayed a deadly throwing arm from his outfield post.

This was the year that the Poconos won the regular season flag race by 22 games over second place Lebanon.

The Poconos also went on to win the post-season playoffs.

Phillips, in 1949, went to bat for the Poconos 43 times, batted 133 times and scored nine runs. His hit output included two doubles, one triple and a home run. He batted in seven runs.

Larker, a native Mobile, Ala., appeared in 109 games, went to the plate 374 times, batted 112 hits and scored 48 runs. His hit output included 20 doubles, five triples, one home run and 52 runs batted in.

An oddity of the present series is the fact that Larker came up to the White Sox at one time, then was sold and made his way up through the Dodger chain.

Larker played in the first two Series games in right field. He singled in four trips to the plate in the first contest and went hitless in three times at bat yesterday. He made four putouts in each of the games to date.

Phillips played in only one game thus far. He held down third base yesterday and doubled in three trips to the plate. He made two putouts in the field. He was lifted for pinch hitter Billy Goodman in the eighth inning.

Both players are 29 years old.

"Bubba" Phillips

"Bubba" then the property of the Detroit Tigers, had to leave the club early to report for six months of Army Reserve service. His home is Hattiesburg, Miss. He is a graduate of Mississippi Southern College.

Larker played first base for Hazleton, another entry in the former North Atlantic League, also in 1949. He was voted tops at his position in the circuit after compiling a .300 batting average.

1,000 Flee Flood Waters In Oklahoma

OKLAHOMA CITY (AP)—About 1,000 persons were evacuated from their homes at Guthrie, 30 miles north of here Friday, as water on Cottonwood Creek stood two feet above flood stage. Guthrie was one of many northern Oklahoma flatlands communities threatened by overburdened streams.

Two deaths have been reported in the area.

Cottonwood Creek stood at eight feet, highest in history, and was expected to crest at 10 feet before midnight at Guthrie, a city of 10,000.

Five inches of rain fell in an hour at Stillwater — home of Oklahoma State University — 60 miles northeast of Oklahoma City.

Auto Traffic
Stillwater, a city of 25,000 was cut off from auto traffic by high water and scores of families were taken to higher ground as two nearby lakes poured tons of water into streams flowing through the city. Oklahoma State University is located there.

About 20 families were evacuated at Enid, 90 miles north of here, and persons were forced from their homes at many communities along swollen streams.

Sen. Green Reaches 92
PROVIDENCE, R. I. (AP) — The oldest man ever to serve in Congress was 92 Friday and noncommittal whether he would run for reelection next year.

"If you don't mind my saying so, it is a foolish question," Sen. Theodore Francis Green (D-R.I.) said with a smile at his imposing mansion where five generations of Greens have lived before him.

Repentance
Rosh Hashanah is actually the beginning of a 10-day period of repentance, Rabbi Soden said, and which is also the start of the first month of the Hebrew calendar known as Tishri, pronounced Tishray, even though the word ends with an "i."

The final day of the ten-day period is called the Day of Atonement, or Yom Kippur, and will be Oct. 12.

The entire holiday, Rabbi Soden said, is of a serious nature, rather than being frivolous. The congregation will spend time in the special services in the synagogue, while at home they will have special meals prepared for the holiday.

Jews Hold New Year's Celebration

THE JEWISH congregation of the Stroudsburgs yesterday began Rosh Hashanah, or the Hebrew New Year, which, in their calendar, is the year 5720.

Rabbi Joshua Soden yesterday said the year is figured from the creation according to the book of Genesis.

The two-day observance of Rosh Hashanah began at sunset last night, an twilight continue until tonight dawn tomorrow.

Prisoner Takes Photos Of Models

KARLSTAD, Sweden (AP) — A convict who has been running a purported school for models behind the bars stood accused Friday of photographing bare-bosomed girls in daring poses in the prison's visiting room.

Police Chief Anders Holmstrom said police have confiscated some of the pictures and are investigating.

Pornographic and indecent? Holmstrom said it will be up to a judge to decide.

How could there be such goings-on at austere Karlstad County Prison? A prison welfare officer explained: Visitors are permitted in a private room without either bars or guards. The doors can be closed, though not locked. The convict used this room as his office.

The officer said the convict has admitted taking the pictures during visiting hours and smuggling out some of his production. He turned over to police films and copies he had hidden in his cell. The girls were shown nearly nude.

Coupled in the scandal is the complaint of a girl friend of the convict that she is pregnant.

Even in liberal-minded Sweden, there were a lot of raised eyebrows. A spokesman for the Prison Board in Stockholm promised a full inquiry.

The name of the convict, serving an indefinite term for fraud, was withheld. This is in keeping with a general rule of Swedish police in the case of prisoners sentenced to less than one year or to an indefinite term.

The convict runs a mannequin school in Stockholm in absentia, Holmstrom said.

He branched out after incarceration here, advertising in Karlstad newspapers for girl pupils for training. He offered to pay their fare to and from Karlstad. Several girls responded.

All went well until a 16-year-old country girl answered one of his advertisements. She found the circumstances somewhat puzzling and queried police.

One thing more: The convict may wish he'd never made that promise in his ads to pay for the girls' transportation. He never paid them, Holmstrom said, and as a result is facing a new charge of fraud.

Two Killed During Riots In Ecuador

GUAYAQUIL, Ecuador (AP) — Two persons were killed and four injured in riots touched off by rowdies trying to strip scantly clad drum majorettes in Ecuador's largest city Thursday night.

A navy shore patrol unit came to the defense of parading teenagers who were being manhandled by hoodlums making lewd remarks. Some of the girls were nearly undressed before police and troops quelled the outbreak.

Soldiers fought the mob 2½ hours, stepping in after national and civil police had been virtually routed.

A store owner reportedly shot and killed two looters among the crowds that used the occasion to break into shops. Witnesses said police and soldiers did not fire into the mob.

A police patrol car was overturned and gasoline soaked cars were tossed on it, but they did not burst into flame. Two of the injured were policemen. None of the parading girls suffered serious injury, except to dignity.

The disturbance was considered an indication of Guayaquil's dissatisfaction with the government. Some contend the government, though most taxes are collected in the banana-rich coastal regions around Guayaquil, gives preference in allotting tax money to Quito, the capital. The government also is blamed for not solving the plight of Guayaquil's unemployed, who took advantage of every opportunity to transform parades and public meetings into riots so they could loot.

World Loan Plans
WASHINGTON (AP)—Loans of the New International Development Assn. will go only to countries which pursue sound economic policies, President Eugene R. Black of the World Bank said Friday.

Sewer Key To Cost Of New School
IF THE EAST Stroudsburg Borough Authority should fail in its plan to build a sewer system within the borough, costs to the East Stroudsburg Area School system, for sewer lines and a plant for the new high school, have been estimated as follows:

Estimated cost to build a new disposal plant for the building would run from \$25,000 to \$40,000. The seepage trenches mentioned in yesterday's article would be sufficient for a permanent system, officials revealed.

Added to this would be an annual cost of an under-termined amount for a custodian for the plant.

Should the school authorities decide to have the sewer line run to Stroudsburg for connection with that system, then the cost has been set in excess of \$100,000, providing Stroudsburg could accept the new customer.

IT'S A SMALL WORLD

Ever run into a friend in Tokyo, or meet one of your neighbors in Amsterdam? Maybe not—but such things are happening every day!

It makes you stop and think—the way this world is shrinking. It makes you wish that the men and women who live on opposite sides of the globe had more things in common.

There can be no more unifying force in the world than a common belief in God. And toward that ideal we are rapidly progressing. Christians the world over are feeling and expressing their unity of faith and purpose.

Sunday is World-Wide Communion Sunday. On that day, within the space of a few short hours, Christians in every land will reverently participate in the Lord's Supper which has been a mark of Christian faith for almost two thousand years.

**THE CHURCH FOR ALL . . .
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Reports Of Liquor Sales To Minors Call For Probe

The lone survivor of an accident which claimed the lives of two area boys last weekend told a coroner's jury Monday that all three had been served beer in a licensed establishment before the crash.

His testimony lent substance to reports current in recent weeks that certain places in Monroe County and in nearby New Jersey had been serving intoxicants to minors, in violation of the liquor laws of the two states.

These same reports indicate the practice is not widespread. But, even if it is confined to a few isolated establishments, it is a matter of serious concern both to the public and to all the licensees who are operating within the law.

Whether the reports are true or false is a matter that can best be answered after a thorough investigation by the authorities responsible for enforcing the liquor laws. They will be able, too, to determine whether the guilt, if any, lies with the licensee, with the minors, or both.

The most recent case does raise some questions, assuming that all three boys were served beer as stated in the testimony.

The public has a right to know, for example, whether the boys presented identification cards showing them to be 21 years of age.

If so, was the bartender satisfied beyond a doubt that the cards were legitimate and was he acting in good faith in the belief that the boys were, in fact, 21?

The sale of liquor and malt beverages is controlled by a set of laws that make up the Pennsylvania Liquor Code. Both licensee and customer must abide by these regulations.

The licensee and his employees are

forbidden, under Section 493, to sell, furnish or give intoxicating beverages to any minor under penalty of a fine and suspension or revocation of license.

Any minor who knowingly and falsely represents himself to be 21 years of age to any licensed dealer or other person, for the purpose of procuring or having furnished to him, any intoxicating liquors, is subject to a fine not exceeding \$50 and or imprisonment for not more than 60 days (Section 675).

The licensee can demand proper identification card from the customer to determine whether such person is 21 years of age and upwards when that person desires alcoholic beverage.

A statement of registration signed and issued to voters by county election boards is acceptable as an identification card (Section 495).

In addition, the licensee shall require the person whose age is in question to fill in and sign a card saying he is at least 21, under penalty of a \$100 fine for misrepresentation. Such card is to be filed by the licensee, and may be used by him as a defense in all civil and criminal prosecution for serving a minor.

It is unlawful for the owner of an identification card to transfer it to any other person for the purpose of aiding such person to secure alcoholic beverage. Likewise, any person who obtains an identification card through fraud is also guilty of a misdemeanor. Both offenses carry fines up to \$100 or imprisonment for not more than 30 days.

Sales of liquor to minors, if they do occur, should be halted through strict enforcement of the laws as set forth in the liquor code and as they apply to both the licensee and the customer. No other course can be tolerated.

George Sokolsky Says...

Price Is The Thing

As a practical proposition, what is called currency is a document issued by a government acknowledging that in exchange for it, the government guarantees to give a specific amount of money. But the value of that money is not specified.

The value of money is to be determined by its purchasing power for goods or services. What is a dollar worth? According to the current prices in the supermarket in which my family trades, it is worth about five loaves of bread; about four quarts of milk; about one and one half dozen eggs a little less than a pound of top round beef.

Twenty years ago, it was possible to get about twice as much, but 20 years ago the costs of raw materials, of taxes, of labor were less. So it is reasonable to say that the American dollar buys about half as much as it did 20 years ago. Therefore, it is worth about half as much.

During this period, many nations which were broke have become rich and their currency which was deficient in value is now at par or better.

Those countries were aided by the United States out of the earnings of its people paid in the form of taxes as well as in artificially higher prices for such commodities as coffee. Now some of those countries are able to compete with America.

erican goods and beat them even in the American market; they are the new rich nations.

I have here an advertisement issued by General Motors. It reads: "German Made? Germany's popular precision-built car, Opel offers refinements unique in a car priced as low as this one."

Then it goes on to describe the Opel car further and advises that it can be bought from Buick dealers. The last line of the advertisement reads:

"The Big Small Car Built in Germany by General Motors—Sold and Serviced All Over America by Buick Dealers."

This and similar enterprises practically and soundly meet the present economic situation but many new social problems are raised. The export of capital is a correct way to deal with the fact that American goods have outpriced themselves in world markets and if American capital wishes to compete in world markets, it has to manufacture where it will not be at a disadvantage.

It is easy to export capital.

The Master Key?

DEAR MR. EDITOR:

Bible Training Neglected

Dear Mr. Hill:

This recent Bible "incident" should alert each one of us to our own delinquency in our fundamental education, no matter how many degrees we may have in other lines of study.

Jesus never heard of a democratic state, modern industry, colleges orphan asylums, hospitals or community chests, yet, He has released to society the spiritual ideals which are involved in all of these enterprises. He has given us the sense of direction, and the power to walk in it.

Whatever languages are spoken 2000 years hence, we may be sure that the Bible will be the best known of all books in those languages. "Heaven and earth shall pass away, but my word shall not pass away."

Secondly, the Bible conveys its teachings in the best stories ever told about real people, in the simplest of English. It has been translated into practically all other languages and is read all around the world today.

Thirdly, it is filled with unforgettable pictures of home-life, clear and simple, where there can be no mistaking. Luke Chap. 14 gives us the story of the Prodigal Son. Of course, Jesus told this story.

It is now in our English tongue in 322 words, all but 63 of them one syllable, and may be read in two minutes. It is taken from home-life which all men understand. Another telling story is that of Rebecca and her beloved son, Jacob whom she sought to promote by deception and intrigue, in which both failed so ignominiously!

This procedure is followed to this day by many a devoted mother with failure sure to follow. How mistaken such fond mothers are! If they had familiarized themselves with these records of human behavior in our Bible, it would have been a mis-step!

The Bible is filled with many such human behavior incidents and God's manner of dealing with them. It is all right there plainly before us, if we will but learn!

I am now reading gby Bible through for the fourth time and find it increasingly illuminating and inspiring, nor do I find any other literature of equal interest or value.

A Brash Soprano made her debut at the famous opera house in Milan. The applause was so tumultuous that she had to sing her big aria seven times. She then blew kisses to the audience and announced tearfully, "You've made me

From the top balcony came a stern voice: "You go right on singing that aria till you get it right!"

With Walter Winchell On Broadway

Broadway Beacon

Tennessee Williams' "Orpheus Descending" returns to The Big Burg Oct. 5th at the Gramercy Arts Theater, 138 E. 27th St. Diane Ladd, a talented blonde from Mississippi, is the Leading Lady. She has the Geraldine Page fire.

"The Lovers" includes a 20 minute smooch-scene between a married woman and a young boy. A French-flicker, of course. Producer Jerry Wald gave new ammunition to groups demanding more rigid censorship by bragging: "The Best of Everything" has every kind of sexual relationship you can think of. "Yes, Mr. DeMille," a new tome about the late showman, reveals that his standing order to writers was: "Hit sex hard." One of the movie mags would have you believe that movie star Ann Blyth's biggest thrill on her honeymoon was cooking.

Have you heard Dinah Washington's version of "Unforgettable"? One of the best... Show Biz can be such a puzzle. Henry Fonda ruled the most exciting rave notices of his career in "The Ox-Bow Incident" and "Twelve Angry Men." Both movies were financial fizzes. A new British film is named: "The Night We Dropped a Clander." Translation, anyone?

The Tell-It-All trend now brings Cathy Crosby's intimate candor in Redbook. It verges on self-malice. Bette Davis was seen in minor roles in "John Paul Jones" and "The Scapigoat" but she received a star's salary. Esther Williams is quite an industry. She owns large hunks of auto agencies, swimming pool firms, gas stations, screen door companies and other ventures. They'll never have to run a benefit for Esther.

Jim Riley Says:

Monroe County Loses True Friend

Monroe County was saddened on Thursday when residents learned of the death of Albert Rosenberger, owner of Echo Lake Farms. Echo Lake, along Route 209. In recent years it has developed into one of the top resorts of its type in the Poconos. But, Al Rosenberger was more than a resort operator. He was everybody's friend—rich, poor and in-between. Al Rosenberger came to the United States as a poor young man. He didn't even have enough money to pay his passage. Al told me one time that his first memory of America concerned a jar of pineapple. As he walked up a New York street during his first day in the United States, he saw a jar

of pineapple in a store window. Al counted his money and found that he didn't have enough to purchase the pineapple. It was at this point that he put that jar of pineapple on the list of things he wanted most and would purchase when he obtained a job and saved enough cash. The Al Rosenberger who I knew was the same type of fellow. He never forgot those persons less fortunate than himself. He was one of the most charitable men in the region, although his gifts were always made with the provision that very few persons ever knew exactly where the money originated. Al led a tough life for many years. He came up the ladder rung by rung and against terrific odds. But, each time he attempted a step he made the grade. The development of Echo Lake Farms was Al's number one ambition. He worked tire-

lessly hour after hour, day after day, month after month and year after year. He saw one of his life's dreams come true. Throughout his years of work, whether it was in a New York factory or planning the new swimming pool at Echo Lake Farms, Al moved with the other man in mind. Al Rosenberger had his employees more in mind than his paying guests. The owner of Echo Lake Farms wanted his employees to enjoy their summer at Echo Lake Farms and he wanted them to be treated in the best manner possible. Thousands of people will mourn the death of Albert Rosenberger, the man who found success the hard way—the man who never allowed success to turn his head. We join at this time in presenting our condolences, along with the thousands of others, to Mrs. Rosenberger. You have lost a husband and we have lost a friend.

The Allen-Scott Report

Deadlock Ended Suddenly

Washington—That momentous agreement dissolving the war-threatening Berlin deadlock was worked out personally by President Eisenhower and Premier Khrushchev in a 32-minute private talk at Camp David. The only others present at this eventful discussion were their two interpreters. This was the only man-to-man negotiating between the President and the Kremlin ruler throughout this historic weekend. All their other meetings were attended by Secretary Herter, Foreign Minister Gromyko and other officials. The understanding on Berlin

was reached quietly and amicably. There was no acrimony or bickering. The entire discussion between the President and Khrushchev was confined solely to the critical German Problem. Nothing else was mentioned. Following is the sequence of their fateful 32-minute exchange of views: Khrushchev broke the ice by earnestly assuring the President that at no time had there been any intention of making threats regarding Berlin. Never had there been any ultimatum, a time limit or an ultimatum. After saying that, Khrushchev confidently voiced the belief the President would concur that a new agreement on Berlin is desirable. To this overture, the President expressed willingness to reduce U. S. forces in West Germany in exchange for a similar cut of Soviet troops in East Germany. The President stressed that such military curtailment "would appreciably improve the general atmosphere and thereby facilitate the processes of peace."

That sentiment was warmly echoed by Khrushchev. But at the same time he was warily noncommittal on the President's proposal. On that, Khrushchev declared he was willing to "negotiate further" provided the gradual withdrawal of Allied occupation forces in West Berlin were included. Khrushchev then pointedly added that he is already planning to pull out all of Russia's 15,000 troops from East Berlin "in the near future."

To this the President countered by calling Khrushchev's attention to the fact that, at the fruitless foreign ministers conference in Geneva earlier this year, the U. S. had offered to reduce by one-fourth its 4,200 garrison in West Berlin. Also that Britain and France had been willing to make similar cuts.

Continuing, the President emphasized that solving the problem of West Berlin involves formulating "sound and adequate" safeguards to protect the freedom and rights of the people of West Berlin and the supply lines of the Allies. Summit Bound—The President suggested that a possible answer might be a United Nations security force in this city located more than 100 miles deep in Red-ruled territory. Khrushchev immediately replied he would be willing to "consider that."

Pleased at this response, the President noted that while he could not talk for Prime Minister Macmillan and President de Gaulle, he was confident they would do everything possible to "further the cause of world peace by settling the Berlin crisis."

Quickly, Khrushchev then proposed a summit conference in Geneva in November.

He argued that agreement on all these matters could be reached at an early meeting of the Big Four heads of state. "Let's not wait," urged Khrushchev. "We have had a very hopeful meeting of minds, so let's make the most of it in the cause of peace for our people and the rest of the world."

The President heartily approved the idea of a summit conference. But he felt that before it is held, the foreign ministers "should have another go" at the Berlin problem.

To that, Khrushchev acceded to the extent of being willing to "determine" whether another foreign ministers conference can be arranged prior to a summit meeting.

This key question mark is what is behind the discussions now transpiring between Washington, London and Paris on what occurred at Camp David. So far as Britain is concerned, its answer will be determined by what happens in the election next week.

Meanwhile, in anticipation of a series of conferences with the Soviet bloc, the State Department is seeking 50 Russian interpreters. Government and other agencies with such personnel have been asked to make them available by October 15.

The U. S. has a total of 190,000 troops in West Germany; Britain 55,000; France 30,000; Canada 7,000.

Total Soviet forces in East Germany are 450,000, recently extensively mechanized and equipped with new weapons and tanks. In addition, satellite East Germany has 150,000 in its modernized armed forces.

Total Allied troops in West Berlin are 12,000.

'Fire Prevention Week' Parade To Be Held On Monday

Line Of March To Begin In East Borough

STROUDSBURG Fire Co. will be the host at a parade to open Fire Prevention Week which is scheduled to start tomorrow. The parade will take place on Monday.

All county fire units have been invited to enter the parade, and both Stroudsburg and East Stroudsburg High School bands, plus the Veterans of Foreign Wars and American Legion drum and bugle corps will participate.

The parade will form at Milford Crossing in East Stroudsburg at 6:30 p.m. Monday, and will move toward N. Eighth St. in Stroudsburg at 7 p.m. sharp. Announcement of the parade was made by Robert Phillips, Stroudsburg Fire Chief.

Municipal Building
Following the parade, refreshments for all units will be supplied at the Stroudsburg Municipal Building.

In addition, the Stroudsburg company will also sponsor a "hose polo" tournament to be held at the Giant Market parking lot, Sunday, Oct. 11, at 1:30 p.m.

A float depicting the "hose polo" contest will be in the parade.

Rules for the contest show the following:

The field shall be 100 feet long and 40 feet wide. There will be three five-minute periods of play, unless there is a score, at which time the period will automatically end.

Goals will be 10 feet wide, and scoring will take place when the ball goes through the goal.

Each team, of four players each, shall be equipped with one and one-half inch lines with straight stream nozzles, and each line will be 100 feet long.

Players will wear regulation boots, coats and helmets plus goggles.

If the ball leaves the court the referee will call the infraction and the game will stop until the ball is returned to the center line for a "splash off."

The game will start with the ball at center court, lines will be manned and charged, and the nozzles will be opened at the referee's signal.

Officials will be a referee and a timekeeper.

There will be no intentional body contact with the ball on penalty of losing 10 steps distance.

Any man, in the referee's judgment, deliberately aiming the water at an opposing player's face will be ejected from the game, and the team will lose one point.

Only the referee will call time during the contest.

Loyalty Month At Mt. Pocono

OCTOBER is "Loyalty Month" in the Mount Pocono Methodist Church. Beginning on Sunday, October 4 with the celebration of Holy Communion in cooperation with the observance of World-wide Communion. A Communion Meditation will be given by Rev. James F. Mori, pastor, at the 11 a.m. worship service.

On Oct. 11 the Annual Harvest Home Festival will be held with gifts for the Methodist Home for the Aged in Philadelphia, Pa., when Rev. B. Harry Barnes, field secretary and chaplain will preach the sermon: "Facing A Changing World" at the 11 a.m. worship service. A reception for our new District Superintendent, Dr. Price M. Collins and Mrs. Collins will be held at the parsonage beginning at 4:00 p.m. to be followed by the Quarterly Conference.

Mrs. Louis T. Powers is in charge of Altar Flowers during October, and persons desiring to place flowers in the church sanctuary should contact Mrs. Powers.

Francis O'Boyle is scheduling ushers for the next quarter and will contact those who will serve. Mrs. O'Boyle and Mrs. Lee are assisting the pastor in providing care for the children in the Church Nursery.

Educators Meet To Set Up Fourth Grade Teaching Unit

MONROE COUNTY educators met yesterday at the Arlington Heights School to set up a teaching unit in Monroe County for the fourth grades of all county schools.

Chairman of the meeting was Mrs. Pauline Peterson, elementary supervisor of the East Stroudsburg Area Joint Schools.

The state Department of Public Instruction has designated the fourth grade as that in which each individual county will be presented historically and otherwise, to the students of the systems.

This was the first meeting in the county in which the educators have met to develop a common unit of work.

After the unit is developed by the committee, it will be published and used in all the schools.

The committee will meet monthly in various parts of the county and the work is estimated to take at least a year to accomplish.

During succeeding meetings, it will be necessary to call in consultants on the project. The consultant called in at yesterday's meeting was Mrs. Horace Walters, curator of the Monroe County Historical Society.

Surviving, in addition to his mother, are four brothers, Ernest, Norristown; Herman, Panther, Philadelphia; nine sisters, Mrs. Esther Simons, Newfoundland; Mrs. James Quinn, Philadelphia; Mrs. Roy Anderson, Mrs. Al Zuccone, Mrs. A. J. Smith, all of Patterson, N. J.; Mrs. James Hiller, formerly of Cresco, now living in New Jersey; Mrs. Herbert Person and Mrs. Terry Walsh, Clifton, N. J.; and Mrs. Lewis Porter, Schenectady, N. Y.

Federal services will be at 2 p.m. tomorrow in the Frey Funeral Home, South Sterling. Rev. Arthur Campney will officiate and burial will be in Pine Grove Cemetery, South Sterling.

Friends may call at the funeral home from noon to 2 p.m. tomorrow.

Fire Ruins Garage In Barrett
MOUNTAINHOME—Fire yesterday afternoon destroyed a combination garage and storage shed on the Edna Palmer Engelhardt property here.

Fire Chief William Krummel said the loss would run close to \$500 or \$600. A new power lawn mower was the only thing of value in the garage.

Headway
Barrett Township Fire Co., which received the alarm at 5 p.m., responded immediately but found the building ablaze. It had gained such headway that firemen concentrated their efforts on preventing the flames from spreading.

Origin of the blaze was undetermined, Chief Krummel said.

Pocono Church Homecoming
HENRYVILLE—Homecoming services will be held tomorrow at the Pocono Union Church here, and services will start at 2:30 p.m.

Guest speaker for the service will be Rev. Harold Cook, of Henryville.

Small markers are given the same care and attention as the largest Monument.

Memphis Man Found Guilty Of Rape

FRED Allen Gilbert, 22, Memphis, Tenn., yesterday was found guilty of rape by a jury of seven women and five men in Monroe County Criminal Court.

Gilbert, a waiter at a resort near Mount Pocono, was charged with raping an 18-year-old guest on Aug. 31 of this year in Pocono Township.

A resident of New Jersey, the victim testified that on the night of Aug. 31 Gilbert told her mother had said it was all right to go for a ride.

The girl testified that she and Gilbert visited a tavern where they drank beer and Gilbert bought a quart to take with them. She told the court she then asked to return to the resort, but Gilbert drove her into the woods and "completely changed."

She charged that Gilbert slapped her, tried to strangle her and forced her to drink beer. She said she ran into the woods, but Gilbert tackled her and grabbed her by the hair, forcing her back to the car.

She testified that Gilbert threatened to kill her if she did not submit. The girl said she took off her clothes and that after raping her, Gilbert made her stand nude in front of the car lights.

Face Swollen
A Mount Pocono physician testified he examined her at 4:30 a.m. on the morning of Sept. 1 and that the right side of her face was swollen and she had a cut on the inside of her right cheek.

The girl's mother broke down on the stand while testifying that her daughter was hysterical when she returned to the resort. Both the girl and her mother were in tears as they left the courtroom during a recess, called by Judge Fred W. Davis.

Also testifying were an attorney friend of the family, who was a guest at the resort with them, and Trooper John J. Kinzel and Cpl. Joseph DiPietro of the Mount Pocono State Police barracks.

Gilbert admitted having intercourse with the girl, but claimed she consented to the act. The jury deliberated half an hour before returning the verdict.

Court adjourned for the day after a jury was selected to try John M. Poplawski, 27, of 1015 Ridge Road, Scranton, on charges of public indecency.

Poplawski was arrested last July 25 by State Police of the Mount Pocono barracks. The charge is based upon an incident in a Paradise Township restaurant.

The case is being heard by Wayne County Judge Clarence E. Bodie, who is assisting Judge Davis.

District Attorney Detlef A. Hansen will present the Commonwealth's case. Poplawski is represented by Attorney John Verbolis of Wilkes-Barre and John J. Pentz, Jr., local attorney.

Court Grants Five Divorces
FIVE DIVORCE decrees, granted by Judge Fred W. Davis, were filed yesterday in the office of N. Henry Fenner, prothonotary.

They went to Albert I. Hanna, Pocono Pines, from Grace K. Hanna, Pocono Pines, adultery; Ione B. Middaugh, East Stroudsburg, Star Route, from Dan H. Middaugh, Marshalls Creek, indignities to the person; Angela Marie Reisman, Canadensis, from Earl C. Reisman, Andover, N.Y., desertion and indignities to the person; Lillian Ann Saylor, Canadensis, from William C. Saylor, Norristown, indignities to the person; and Josephine V. Grove, Pocono Lake Preserve, from Edgar L. Grove, Lancaster, indignities to the person.

Veterans Of Foreign Wars Announce Plans For Voice Of Democracy Writing Contest

ROBERT E. Brinn, commander of Thomas P. Lambert Post 2540, Veterans of Foreign Wars, last night announced plans for the 13th annual Voice of Democracy broadcast scriptwriting contest.

It will be open to students in the 10th, 11th and 12th grades of public, private and parochial schools in Monroe County. Students will compete for a \$1,500 college scholarship, a free trip to Washington, D.C., and other awards.

The contest starts Monday and closes Oct. 31. Details may be obtained from high school principals or by contacting Brinn.

Each contestant must write and deliver a three to five minute script on the theme, "I Speak for Democracy." They should be in the style of a radio or television commentary.

A tape-recording of the local winner's script will be submitted to the state contest. The state winner's tape-recording will be entered in the national contest.

The top winner in each of the 50 states will receive a free trip to Washington, D.C., next February for the national awards ceremonies and four days of activities around the nation's capital.

At that time, the national winner will be announced and will receive a \$1,500 scholarship to any accredited college the winner chooses. Four national finalists receive gold recordings of their scripts. Winners at all levels of the contest receive Certificates of Merit.

The contest is endorsed by the United States Office of Education. The National Assn. of Secondary School Principals (a department of the National Education Assn. has placed the Voice of Democracy on the Approved List of National Contests and Activities for 1959-1960.

Youth Group To Celebrate Anniversary
THE tenth anniversary rally of Youth For Christ in Monroe County will be celebrated today at the regular Saturday night rally held in the Wyckoff recreation hall, 18 N. Sixth St., at 8 p.m.

"Tonight's rally will be centered around the theme 'What Youth For Christ Has Meant To Monroe County.'" Bob Bullock, local YFC director said.

What Youth For Christ has meant to "My Life" will be related by Paul Freeman, layman and member of the YFC board; to "My Home" by Mrs. Fred Frailley; to "My Church" by Rev. Gerald Miller, pastor of the Tannersville Methodist charge; to "My Service To My Church" by Harold Myra, sophomore attending East Stroudsburg State Teachers College; and to "My Future" by Nancy Smith, a freshman at Northeastern Bible School, Essex Falls, N.J., and Judy Eike, sophomore attending Berean Bible School, Allentown.

Board Chairman
Present tonight will be Verdon Frailley, chairman of the board, Leo Frailley, president of the YFC County Council, as well as all club officers. Teenage soloist, Margie Bitterman, senior at Eastburg High, will be the special soloist for the rally.

Over 75 teens from Monroe County was the goal set by Leo Frailley, YFC County Council president, to attend the Washington Youth Congress in December sponsored by Youth For Christ International.

Just Between Us — —

—by Bobby Westbrook

It began to feel like football weather as the sun went down — and to look like football weather too as the entire town of Bangor started arriving in one long line of cars that must have stretched all the way home.

But football games in autumn and basketball games in winter are always added reasons why Friday night is such a dismal time to work in a newspaper office. It's not just the work, though with most of the world in a let's-get-the-weekend-started mood it's had enough.

It isn't even missing the games, although I'd enjoy them. It's the people who could go to the games if they wanted to but instead stay home and keep the telephone lines hot trying to find out the score every five minutes.

I don't mind the young voices with sniffling noses mothers probably wouldn't let them go—nor yet the quavery voices whose age and infirmities may have prevented them—but all these husky characters whose money and presence would probably both be appreciated at the stadium.

And re-appreciating their homes this Sunday will be members of the jury. I presume, who have had a series of the most distasteful cases in a long, long time. I remember once cramming for a paper by reading all of O'Neill's plays in one long weekend.

The jurors must have the same feeling I had then: that the world was composed of hate, lust, disillusionment and despair. Takes a lot of sweetness and light to take that taste out of your mouth.

Miss Grace Gregory Bride Of Donald Ackerson

Gilbert—Miss Grace G. Gregory, daughter of Mr. and Mrs. Ethan Gregory, of Gilbert, became the bride of Donald Ackerson, of Blairtown on September 27 at 2 p. m. at Salem United Church of Christ, Gilbert.

The bridegroom is the son of Mrs. Roland Ackerson and the late Mr. Ackerson, of Columbia, RD, New Jersey.

Rev. Harold Ley, of Bethlehem, performed the ceremony. Mrs. LeRoy Hinkle, Emmaus, was organist and Mrs. Dale Kleintop, Trechlers, was soloist.

The bride was given in marriage by her father. She wore a gown of silk organza trimmed with applique medallions and pearls. The dress was fashioned with a boat neckline. Her fingertip veil fell from a headpiece of organza, pearls and lilies-of-the-valley. She carried a white Bible with a white orchid.

Mrs. Darlene George, of Allentown, as matron of honor, wore a dress of blue silk organza and carried white and yellow shasta pompons. The bridesmaids, Miss Jean Gregory, Gilbert, sister of the bride, and Mrs. Mary Alice Gregory, of New Berlin, a sister-in-law, wore gowns of melen silk organza with bouquets of shasta pompons. The flower girl, Debra Gregory, niece of the bride, wore a miniature of the bridesmaids' gowns.

Robert Lane, of Columbia, N. J., was best man. Ushers were Cy Pettit, of Bound Brook, N. J., and Robert Gregory, of brother of the bride.

After a reception in the church social rooms, the newlyweds left for a wedding trip to the New England States and Canada. On their return they will live in Blairtown, N. J.

The bride is a graduate of Polk Twp. High School and the University of Pennsylvania, and is medical technician at the General Hospital of Monroe County. Her husband was graduated from Blairtown High School and served three years in the Army. He is employed at the Blairtown Lumber Co.

College Night, Art Project On County PTA Agenda

The first County College Night, being sponsored by the Monroe County Council of Parents and Teachers, was a major topic at the first council meeting of the Fall held this week at the Delaware Water Gap School.

College Night will be October 22 at 7:30 p. m. at Stroud Union High School. The committee announced that 14 colleges would have representatives at the meeting. Parents of college-minded students are invited to attend and discuss curriculum, costs and other pertinent matters. If it proves successful, it may become a regular feature. Mrs. John Black, Mrs. Lester Katz and Mrs. Robert Person are the committee in charge.

Other new projects suggested at the meeting were in the field of Fine Arts. Mrs. David Cartwright and Mrs. George Levin, co-chairmen, reported they would like to charter a bus to take interested school children to the Everhart Museum to visit an art exhibit and the Planetarium.

They also would like to present a series of Fine Arts exhibits in the schools.

Edward Doney, president of the Monroe County Principals Assn., invited them to attend the next principals meeting to explain their plans.

President Russell Pritchard announced the State PTA Convention to be held in Harrisburg October 26, 27 and 28 and urged delegates from Monroe County to attend. Walter Melnikoff will be the official delegate from the Council.

Mrs. Lester Katz announced that the Monroe County Council had won first prize for their scrap book and urged all local PTA units to appoint a historian and enter their books at the district conference.

Walter Melnikoff, legislation chairman, led a discussion on current legislation and the group decided to send letters to Senator Scott and Rep. Yetter, announcing their stand in favor of House Bill 1108 and opposed to House Bill 2354 and Senate Bill 1132.

Mrs. Pascall Webb, president of the host PTA, welcomed the group and served refreshments during the social hour.

The Wyckoff Shopper

Wyckoff

Something new for women and girls who love really sporty sportswear is Wild'n Wooly, a "shaggy dog" coat that comes in a variety of colors and is toasty warm, cuddly soft, crush resistant, and absolutely weightless. These coats, in two lengths, arrived in our store the afternoon of the Fashion Show at the YMCA, and Mildred Shaw modeled one in loden green. Full length, it retails at 49.98. These are truly BIG fashion news on campus, and should catch on here as they have elsewhere across the country. They're different, that's for sure... and definitely the thing for the gal who enjoys leading the fashion parade.

Walking past our front window Thursday morning, I had rather a shock when, out of the tail of my eye, I saw the mannequins walking! I did a fast double-take, and sure enough they WERE walking — but they weren't mannequins. For some reason known only to themselves, Helen Greiner and Leona Merchant, of our hat department, had invaded the premises, and were roaming around among the other big "dolls." Too bad they weren't modeling hats—they'd have sold 'em I'm sure of it!

Something new has finally come on the market for a woman's lips... not a new color, not a new over coat or under coat for the standard lip rouge, but a new SHAPE. The heart-shaped lipstick! When I read the release from Helena Rubinstein I thought, "This sounds good... but of course, it can't really be HEART SHAPED. NOT ALL THE WAY THROUGH." With this idea fixed in mind, I pattered down to the main floor to see for myself. Mme. Rubinstein contends it is the first real innovation in lipstick for a decade.

Well... we have them in stock, and these heart shaped lipsticks are REALLY heart shaped ALL THE WAY DOWN. The wide part is terrific for shaping the upper lip, while the point does wonders coloring the lower lip. The lipsticks themselves are cute as anything. We stock them in five heart-throbbing colors: deep, vibrant red, creamy tangerine or coral, delicious pink, pale nectar-orange peach, and violet-tinged cherry red. At 1.50 they're really exciting... and make the blood pressure go up and up. You'll like 'em too, I know. They're the flirtest cosmetic fashion to hit the ad pages since false eyelashes!

Vanity combinations are smart and flattering for the woman of heavier figure, and Betty Colvin, head of our corset department, is particularly enthusiastic about the newly arrived styles in our Wyckoff stock. Of dacron, these have a front zipper and cups of exquisite lace. In white, sizes 34 to 46, they are just 15.00. Be sure to see them before investing in your Fall and Winter wardrobe. When it comes to cigarettes, it may be (as the manufacturer claims) "what's up front that counts." But in apparel, it's what down under that counts.

'Handicapped Week' Begins Tomorrow

WITH the annual observance of National Employ the Physically Handicapped Week scheduled to start tomorrow, disabled Commonwealth residents today were encouraged with a report from the State Bureau of Vocational Rehabilitation. The report disclosed that 20,277 handicapped persons received rehabilitative services during the year.

Of this number, 5,878 individuals were completely rehabilitated and able to take gainful jobs, an all-time 12-month record for the Commonwealth and all other States in the nation, according to Tom E. Williams, supervisor of the Wilkes-Barre District Office.

Williams pointed out that of the 20,277 persons who received the bureau's services, 11,759 still were undergoing rehabilitation; while 8,518 cases were closed of which number 5,878 or 69 percent, were fully rehabilitated; another 2,640 were closed without placement in a job because of either death, personal factors, aggravation of the disability or transfer to another agency.

"The men and women who completed their rehabilitation are proving by their performance that it is ability and not disability, that counts," Williams said. "These persons are proving to employers that men and women with physical limitations, after they have been prepared properly and placed in suitable employment are able to perform their jobs just as well, or even in a superior manner, to the so-called able-bodied employees."

"Vocational rehabilitation pays dividends for all Pennsylvania citizens, and disabled persons who have been rehabilitated under the Bureau's program have benefited economically by having their annual rate of earnings increased. On the other hand, rehabilitation is a 'one time' expenditure, while if these individuals were kept on various forms of public aid the expenditure would occur year after year. Thus, rehabilitation provides a savings to taxpayers," Williams said.

The Bureau has district offices located throughout Pennsylvania, at Altoona, DuBois, Erie, Harrisburg, Johnstown, Philadelphia, Pittsburgh, Reading, Wilkes-Barre and Williamsport.

Five Receive Treatment At Dispensary

FIVE PERSONS were treated for a variety of injuries at the Monroe County General Hospital Dispensary, officials reported.

Melchior Heller, Shawnee, was hit on the left thigh during a game at school, and examination revealed a contusion of the muscle. He was treated.

William Kronick, Jessup, complained of a pain in his left ankle, and reported he had twisted the ankle while going off a ladder. Examination revealed an acute sprain.

Cindy Klinger, 445 Hawthorne Terrace, Stroudsburg, fell at home, injuring her right forearm. Examination showed no fracture, and she was treated.

Eva Bush, 120 Jane St., East Stroudsburg, caught her left index finger in a car door, and complained of swelling and pain. Debra Ott, Delaware Water Gap, fell at school injuring her elbow. The school nurse saw the girl and sent her to the hospital. A fracture was found and treated.

Date Set For Closing Open Dumps

STATE DEPARTMENT of Health has set a target date May 30, 1960 for elimination of all open dumps in the eight-county area of northeastern Pennsylvania.

George Livingstone, regional sanitarian for the department, has communicated with county commissioners of the eight counties informing them that state law outlaws the common open dump and the department has started on a State-wide program of eliminating insect and disease breeding disposal sites.

Commissioners Livingstone has already met with Luzerne County commissioners and has scheduled visits with commissioners of the other counties in the region. He is also preparing letters to officials of townships and boroughs within the region, informing them of the program.

Eventually the department will set up 30-day, 60-day and 90-day notices to change over to approved methods, Livingstone reported. Differences in time limits will depend on the size and conditions of the existing dumping grounds, he added.

Only approved methods of refuse disposal are sanitary landfill and incineration. Landfill consists of dumping refuse in a trench, compacting it and covering it with a layer of dirt.

Private dumping grounds also will come under the edict of the State Health Department.

Dodgers Use Three Homers To Even Series At 1-1

(Continued From Page One) After a rainy, dark morning it cleared by game time and most of the game was played in sunshine or a light overcast.

The White Sox started out as though they expected to continue their workout of Thursday.

Luis Aparicio lined a double past the diving Gil Hodges down the right-field line to open the Chicago first. Aparicio easily scooted to third after Norm Larker caught Nellie Fox fly. After Jim Landis walked, Kluszewski grounded to Neal, who fumbled a double-play ball long enough to miss any play except the one at first. As he threw out Kluszewski, Aparicio scored with the first run.

Lollar followed with a single just beyond the straining Neal into short right center, scoring the speedy Landis all the way from second. Despite a boot by Wills on Smith's grounder, that was all the Sox could do.

The Dodgers reached Shaw for four hits in the first two innings but each time they started with two out and failed to score. There were two gone in the fifth when Neal hit his first homer into the lower stands in left about 360 feet from home plate.

They moved along like that with Chicago out front 2-1 until the seventh. Shaw once more retired the first two batters before Essegian came up to bat for Podres. He

hit a 3-1 pitch deep into the upper deck in left tying the score.

Shaw lost his control momentarily after the homer and walked Gilliam, his only pass. It cost him dearly for Neal followed with that long drive into the Sox bullpen.

Neal was the first National League pitcher to hit two homers in a series game since Duke Snider of the Dodgers in 1955. Of course, a former National League, Kluszewski, did the trick Thursday for the White Sox.

From the clubhouse came word that Don Drysdale (17-13) would be Sunday's Dodger pitcher.

Manager Walter Alston refused to claim any advantage in going home to the Coliseum with its 250-foot left-field distance and freaky screen. He said other clubs had been able to hit the screen more often than the Dodgers.

Manager Al Lopez announced Dick Donovan (9-10) as the Chicago pitcher for Sunday's game. The 32-year-old right-hander has been bothered by shoulder trouble all season but won a big game against Cleveland in the stretch.

From the Sox clubhouse came the explanation of the Lollar play that the catcher was running on a 3-2 pitch to Smith. He held up briefly at second, thinking the ball might be caught. Third-base coach Tony Cuccinello waved Lollar on in his futile try for the plate, and the catcher definitely did not run through a stop sign.

The crowd of 47,368 was 645 less than the turnout for Thursday's opener. The total receipts from the two games were \$649,157.36, of which \$31,070.26 went into the player pool. The Los Angeles gate probably will be twice as big putting the series well over the two million-dollar mark after five games.

Neal HRs 'Big Money'

CHICAGO (AP) — Charlie Neal, a skinny little guy with arms no bigger than his bat, was standing quietly in the limelight occupied Thursday by a man nearly twice his size. Neal, who looks as though he might need the wind behind him to drive the ball over the infield, had just belted two mighty home runs—the second of which made the difference in the Dodgers' 4-3 victory over Chicago.

"Man, this is different from the regular season," said Neal. "This is for the big money."

"I wasn't thinking when I hit that second one that it might win the game, but I was sure glad to see it. I knew we'd need some runs against these guys."

Official Scorers

CHICAGO (AP) — Three official scorers for the World Series starting Thursday were named Wednesday by Commissioner Ford Frick. They are Lester Biederman of the Pittsburgh Press, president of the Baseball Writers' Assn. of America; Warren Brown of Chicago's American; and Bob Hunter of the Los Angeles Examiner.

Fellman Tosses E-Burg To 12-7 Win

Hillman, Ajygin Tab Cavalier TDs

QUARTERBACK Jack Fellman triggered a fired-up East Stroudsburg High eleven to a 12-7 upset victory over heavily favored Bangor before an overflow crowd of 3,000 (2600 payees) at East Stroudsburg Memorial Stadium last night.

Fellman, unheralded as a passer, practically tossed Bangor out of the park with a phenomenal 9 for 17 hurling exhibition as he led Jack Kist's team to two first half scores.

Victory, the other half of the Cavaliers' offensive punch, scored the first touchdown with 1:36 left in the first period, eliminating a 57-yard drive by going across from the one.

Bill Hillman, a tackle who changes to end on offense, got Eastburg's other score when he nabbed a Fellman aerial in the end zone to climax a 67-yard sortie in which the Cavalier signal-caller completed six straight passes.

Bangor got its six-points in the waning minutes of the game when quarterback Bob Dawe collaborated with halfback Bruce Jones on a 74-yard maneuver. Ken Mollie kicked the extra point for Bangor's seventh tally.

'New Look'

The Cavaliers, blending a defense with a "new look" offense—passing—had the Slaters on the go practically the entire 48 minutes.

With Fellman accounting for 12k yards in the air and 51 on the ground, and Ajygin, the tank, bulking a rip-roaring 139 yards, Eastburg dominated the attack all night.

The Cavaliers started to move right at the start of the first quarter when Fellman jettied a move by combining with Brian Farris for a 38-yard completion to the Bangor 22. But the Slaters held at this point and took over.

But in the latter part of the opening stanza Ajygin scooted 23 yards to the Bangor 34 and Eastburg was in motion. Fellman hit Farris again and he nudged Ajygin ran for a first on the Bangor five. Then Fellman kept to the one where Ajygin sliced through for a 60 Eastburg lead. Fellman's extra point attempt via a pass was blocked and Eastburg took a 6-0 lead into the second quarter.

At the outset of the second quarter Eastburg took over after a Bangor punt put them back to their 33. Fellman passed to end Ray Uhl for six, and Ajygin bucked for a first on the 46. Fellman then threw two straight bullets to Hillman and Farris and Ajygin dove for five and Eastburg was on the Bangor 33.

Fellman, passing to Uhl, and keeping for five got another first on the 23. With Fellman keeping Uhl, and Ajygin plunging Eastburg was on the Cavalier eight. Ajygin went over for a TD but the play was called back and Eastburg was penalized to the 13. Here Fellman found Hillman and the big Cavalier end went into the end zone with Eastburg's 12th point. Ajygin's attempted conversion never got started as the ball was fumbled.

In the second half, Fellman put his passing arm away and the Cavaliers were content to control the ball on the ground with Ajygin carrying seven-eighths of the time to run up his huge yardage.

Bangor, stopped once on a drive early in the third period when the Cavalier defense tightened up on their own 30, finally was able to get an all-the-way sortie going with 4 minutes left in the final quarter. However, it was a fumble on the Eastburg 10 that aided the invaders.

Jones Scores

Lou Joella started the drive going by getting a first down on the 27 before Dave lost to the 34. Then Dave faded back and found Jones on the eight and the Bangor halfback sliced into the end zone for the touchdown. Mollie's first extra point was good but Bangor backs were in motion. From the seven-yard stripe Mollie split the uprights again for the seventh point.

Eastburg ran out two first

JONES CORNERED — Bangor High's halfback Bruce Jones is hemmed in by East Stroudsburg's defense in game at Memorial Stadium last night. Joe Steele (47), Jack Fellman (on ground) and Jack Vinyard (51) corner the Skater back. Cavaliers pulled major upset, downing Bangor, 12-7.

downs on the ensuing kickoff to run out the clock.

The alertness of the Cavalier defense was asserted in the second quarter when center Bill Schoupp intercepted a Dawe pass on his own 35 and led to the Bangor 26. Only the half-time whistle killed this Eastburg bid.

The Cavaliers were strong from end to end and got great defensive work from their backers-up, minimizing the heralded Bangor attack to six first downs and 80 yards net on the ground.

Eastburg now has a 1-1-1 record, while Bangor owns a 1-2 mark.

Stroudsburg High Meets Palmerton Away Today

STROUDSBURG HIGH goes after its second triumph of the season today, meeting Palmerton in a Lehigh Valley League tussle on the Blue Bombers gridiron, starting at 2 p. m.

Palmerton is unbeaten in two contests, holding wins over Whitehall and Jim Thorpe. Stroudsburg, after beating Lehigh in its opener, dropped a 13-7 decision to Emmaus last week.

Scholastic Grid Scores

Head coach Walter Bjorn will start the same backfield which opened its first two starts. At quarterback will be Warren Loney, while Bill Schoonover and Doug Wright will operate from the halfback slots. Dave O'Connor will run from the fullback post.

On the line it will be Ray Davies, Gary Reish or Barry Bond at ends; Bob Ford, Al Edinger or Jim Farry at tackles; Larry Hardy and Cleve Keller at guards, and Bruce Imbit at center.

The Mountaineers worked hard all week, designing defenses to stop Ron and Bob Carazo and Dick Heydt, Palmerton's ace backs.

Brush Up Also the Bjorn-tutored eleven brushed up on their own offensive skills in an attempt to get a more versatile attack in motion against the Bombers' beefy forward wall.

Palmerton is considered the "dark horse" to cop the Lehigh Valley League title.

TEHRAN, Iran (AP) — The world amateur wrestling championships opened Thursday with 98 entries from 18 countries. The United States was not represented. Russia has a full eight-man team in the tournament.

Gomes, counteringpunching and using his left hook effectively, was the unanimous choice of the officials at the Rhode Island Auditorium. It was Gomes' first bout since he won the revived junior lightweight crown by beating Paul Jorgenson this summer.

Warriors In Quest Of 3rd Straight At Shippenburg

EAST STROUDSBURG TEACHERS goes in quest of its third straight grid triumph today, invading Shippenburg to battle the unbeaten Red Raiders. Game time is 2 p. m.

The Warriors of John Gregory left yesterday for Shippenburg. Included in the entourage were 33 players, four coaches and two managers.

ESSTC will enter the contest slight underdogs. The Red Raiders are rated the second best STC eleven with only West Chester figured the better team in the state.

However, the Warriors have come along fast in their first two starts and are expected to battle Shippenburg right down to the wire.

May Start East Stroudsburg will probably go with a backfield composed of John Brunner at quarterback; Joe Simms at left half; Billy Race at right half and either Riney Summerfield or Earl Faunce at fullback.

On the line it is expected that Gregory will call on Ken Hendricks and Jim Richardson at ends; Jake Platt and Al Wilgard at tackles; Sterling Brown and Larry Cox at guards, and Dick Wolsey at center.

Certain to see action are the famed Raider defensive unit—an outfit which has played havoc with the opposition in the Warriors first two victories.

Team Records East Stroudsburg owns victories over Kutztown and Ithaca, while Shippenburg has beaten Shephard and Bloomsburg.

Today's contest will be the stiffest test thus far for East Stroudsburg. The Raiders line averages well over 200 pounds per man and their backfield is blended with speed and power.

Head coach Walter Bjorn will start the same backfield which opened its first two starts. At quarterback will be Warren Loney, while Bill Schoonover and Doug Wright will operate from the halfback slots. Dave O'Connor will run from the fullback post.

'Y' Tadpole Swimming Program

STROUDSBURG YMCA swimming instructions are going to start October 9 for the 5-6-7-year-olds at 7:00 p. m. Following the instructional period will be family night gym and swim.

If you want your child to start swimming at an early age, sign him up now. The classes will run for ten weeks and there will be make-up sessions for the periods missed.

You can drop your child off at the "Y," go shopping a while, then pick him up; or better yet join him for a swim during Family Night.

The ten-week course will be five dollars. If the boy or girl is taking dancing lessons at the Y, the course will be free.

401,800 To Gain Bonus For Korea

HARRISBURG — Applications for Pennsylvania's Korean Bonus were released yesterday to a waiting line of some 401,800 veterans scattered over the world.

The Korean Conflict Veterans Compensation Bureau said it expects to receive up to 300,000 applications within a week, and that first payments will be made by mid month.

Veterans and their beneficiaries were receiving bonus forms from county directors of veterans affairs and all posts of veterans organizations within the state, and from the American Red Cross organization throughout the world.

In addition, the bonus bureau said it sent forms to individual veterans throughout the country who have written in asking for them.

Taken together with the completed application form, bonus claimants must furnish a certified copy of the "Report of Separation," DD form 214, issued the veteran upon his discharge or separate from active duty.

Since June, Pennsylvania county recorders, whose seal must appear on the certified copy, have issued veterans an estimated 100,000 of the DD-214's they need to prove eligibility for the bonus.

Warning
The bonus bureau warned again today that no application can be processed unless it is accompanied by the certified copy of the DD-214. Uncertified photostatic copies of the document, or original copies, cannot be processed, the Bureau warned. Directions for obtaining the required copy are included in the instruction sheet attached to each application.

The Commonwealth, by constitutional amendment, has been authorized to pay up to 150 million dollars to its men and women who served with the armed forces during the Korean conflict. A bond issue of \$120,000,000 was floated for the bonus in August.

Veterans who entered the service from Pennsylvania and served at least 90 days between June 25, 1950 and July 27, 1953 are eligible for the compensation.

They will receive \$10 for all service between the start of the conflict and an. 27, 1954, six months after hostilities ended. Veterans authorized the Korean Service Medal for duty in the Korean theatre of operations are to receive an additional five dollars per month for all foreign duty.

A maximum bonus of \$500 has been set, which will automatically be paid prescribed beneficiaries of veterans who died in the service during the conflict.

BEGIN CAMPAIGN — Pocono Mountain Jaycees are starting their fire prevention campaign, in conjunction with Fire Prevention Week, by selling small fire extinguishers and presenting fire prevention cards. Shown here, left to right, are: William D. Johnson, chairman of the campaign; Ben Grudis, team captain, and Fred Deinhold, Jaycee president. A house to house campaign is scheduled for Monday night in Stroudsburg and East Stroudsburg.

Chest Drive To Feature Payroll Plan

E. HOLT Wyckoff, Monroe County Community Chest campaign chairman, last night announced that again this year that workers may make contributions through payroll deductions.

Last year, 17 industries cooperated in the project, Wyckoff said.

Pledge Cards
Community Chest pledge cards will be distributed to every worker in area plants. They will permit the worker to choose between quarterly deductions or in any way they may choose.

When deductions are made, cooperating industries pay directly to the Community Chest the amount pledged.

Wyckoff expressed his appreciation to industries which cooperated last year and said he realizes the payroll deduction plan is an added burden on the office staffs involved.

Wyckoff said the cooperation of the industries is proof of their interest in the Community Chest.

Stroudsburg Man Faces Auto Charge

VICTOR JOHNSON, 40, of 80 Broad St., Stroudsburg, was charged with failure to stop for a traffic signal after a two-car collision at the intersection of Routes 611 and 313 at Cross Keys, half a mile north of Doylestown, Thursday.

State Police at Doylestown said Johnson's car, driving east on Route 313, went through the red light and crashed into a northbound car driven by Stephen H. Marx, 29, Levittown, Bucks County.

Marx and Johnson's mother, Mrs. Alice Decker, 64, of 732 Sarah Street, Stroudsburg, suffered minor injuries. Damages were estimated at \$600.

Agency Quotas Revealed For Community Chest Campaign

AGENCY QUOTAS for the current campaign of Monroe County Community Chest were released last night by S. Clair Smith, chest president.

The drive has a goal of \$87,510 which includes \$8,000 for Boy Scouts, \$1,080 for the child health committee, \$11,000 for the Children's Aid Society, \$12,500 for Monroe County General Hospital, \$5,332 for Girl Scouts, \$3,000 for the guidance center, \$1,200 for the Mental Health Assn., \$100 for Pennsylvania Citizens Assn., \$13,000 for Salvation Army, \$500 to USO, \$6,000 for Visiting Nurses Assn., and \$13,500 for the Monroe County YMCA.

Also included in the goal are \$6,610 for administration, \$4,688 for the campaign and \$1,000 for contingencies.

It was announced that the Monroe County Crippled Children and Adults Assn., Inc., has withdrawn as a member agency.

Association Letter
In a letter to Smith, Mrs. Carl B. Rosenkrans, association president, wrote:

"The relationship between these two organizations has been most gratifying and we wish to thank all persons making this possible.

"Since the money we have received from the sale of Easter Seals has been sufficient for carrying on our work it is thought advisable for the Monroe County Crippled Children and Adults Assn. to withdraw from participating in the funds and membership of the Community Chest at this time."

The association had been a member since formation of the chest. Mrs. Rosenkrans expressed "sincere good wishes" for successful campaigns "in the splendid work" of the Community Chest.

Chest Praised By Member Of Labor

LEADERS of labor and rank-and-file union members in Monroe County are placing solid support behind the Monroe County Community Chest and its fund raising campaign this year.

The statements indicate the feeling presented by the union representatives in connection with Community Chest.

Carl Woolever, Local 743, American Federation of State, County and Municipal Employees:

"The people of Monroe County have never said no to the needs of others. We meet such needs through our Community Chest. Thousands of children and adults each year benefit from your dollars and mine. Support the Community Chest campaign."

Community Chest Dinner On Tuesday

MONROE County Community Chest and Council will launch its annual fund-raising campaign next Tuesday at 6:30 p.m. at a kickoff dinner at which the workers will be the guests of the Penn-Stroud Hotel management.

The program will consist of a preview of the coming campaign by E. Holt Wyckoff Jr., drive chairman, and special entertainment in charge of a committee from the chest.

Goal Of \$87,510
The drive opening Tuesday will continue through to the end of October. This year's goal is \$87,510 to cover the work of 12 charitable and service agencies.

Division chairmen are now lining up their workers and the complete list is expected to be ready by the opening of the annual campaign Tuesday night, the general chairman reported.

Charges Of Drunken Driving Grow From Auto Accident

JAMES A. Miller, 50, Newark, N. J., waived preliminary hearing yesterday on drunken driving charges and was returned to Monroe County Jail in lieu of \$500 bail.

The hearing was before Mrs. Ruth E. Miller, Stroud Township justice of the peace.

Miller was identified by State Police at Mount Pocono as the driver of a

car which rammed the rear of a vehicle driven by Thomas J. Dalton, 42, Alexandria, Va., on Route 611 two and one-half miles south of Mount Pocono at 9:45 p.m. Thursday.

Dalton suffered a broken ankle and other injuries and his wife, Jane, 38, suffered a deep cut of the scalp

SCHOOL + ROUTE

The Combination That Gives Him a Head Start to Success!

• TWO GREAT educational forces — the public school and the daily newspaper — are helping your carrier-boy get the best possible preparation for a successful career. He's getting both practical schooling and actual business training!

HIS ROUTE is really a modern business operation in miniature where he can put many of his classroom lessons to immediate use—as he serves customers, keeps records, collects money, pays bills and contacts new-comers. No other part-time activity ties-in so ideally with daily schooling as does a newspaper route.

IMPORTANT TOO is the steady income his route provides—money for books, sports, hobbies and good times, as well as to boost his savings fund for college or technical training. See if there is an opening where YOUR son can add this PLUS to his education—newspaper route experience.
